Good morning Michelle,

The total removal completions including Federal Facility Removals is 14,028. I have attached a report that contains the removal details.

Feel free to let me know if you have any questions.

Thank you,

THANKS so much!

We are still a long ways away from some BIG nice round number to celebrate! Remind me...what is the total with fed facility RV completions?

Hi Michelle,

Attached is a report that shows all removals completed to date for the Superfund Program across the Regions. I have included RV, BB & PJ Removal Completions. The total number is 12,718.

Please let me know if you have any questions or if you would like to see this information displayed in a different way.

Thank you,
